AT THE NOVEMBER 8, 1988 GENERAL ELECTION

PUBLIC QUESTION NO. 1

JOBS, EDUCATION AND COMPETITIVENESS BOND ISSUE

Shall the "Jobs, Education and Competitiveness Bond Act of 1988," which authorizes the State to issue bonds in the amount of $350,000,000.00 for the purpose of the construction, reconstruction, development, extension, improvement, renovation, rehabilitation and equipment of classrooms, academic buildings, libraries, computer facilities and other higher education buildings at New Jersey's public and private institutions of higher education and the establishment and construction of advanced technology centers at public and private institutions of higher education sponsored by the New Jersey Commission on Science and Technology; and in a principal amount sufficient to refinance any of the bonds if the same will result in a present value savings; and providing the ways and means to pay the interest on the debt and also to pay and discharge the principal thereof, be approved?

INTERPRETIVE STATEMENT

Approval of this act would authorize the sale of $350,000,000.00 in State general obligation bonds to be used to construct, reconstruct, develop, extend, improve, renovate, rehabilitate, and equip classrooms, academic buildings, libraries, computer facilities and other higher education buildings at New Jersey public and private institutions of higher education and establish and construct advanced technology centers at public and private institutions of higher education sponsored by the New Jersey Commission on Science and Technology. The act also authorizes the issuance of bonds in a sufficient amount to refinance any of these bonds if the same will result in a present value savings.
